

TEAM UP REPORT 2016 2017

805 W. University Ave. Georgetown, TX 512-868-2822 www.casawilco.org

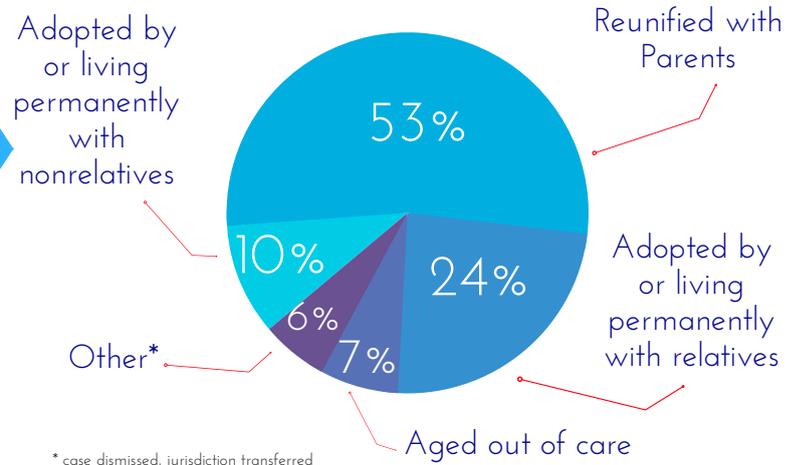

2017 was a wonderful year for CASA

of Williamson County. We served 220 children who experienced abuse and neglect (3% growth) with 113 volunteers. We helped 79 children leave CPS care. Of these children, 87% are now in a permanent home.

For those children in care, our advocates

monitor all aspects of their wellbeing. For 16-year-old Brandon, this was needed when he was sent to live in a treatment center for juvenile offenders 3 hours away from his home, not because of anything he did, but because there was no where else for him to go. Right away, it was seen simply being in this center led many to treat him like he was a problem. CASA spoke up for Brandon. Realizing this was not the right place for him, we began advocating for a more appropriate home for him...

CASES CLOSED:

Meanwhile, CASA visited him

at the treatment center every other week. We spent time with him, encouraged him and made sure he was provided with development opportunities. We even brought his young adult brother along to provide a sense of normalcy. During this time, Brandon was able to finish his high school education early. Soon, changes in his life made it possible for him to move back to family. Today, he is focused on finding a job and preparing to take college classes. We are blessed to in Williamson County, where so many in our community believe in supporting our most vulnerable population, abused and neglected children. So, thank you for pledging your talent, time and treasure.

Here's to Teaming Up in 2018!
